

## **Opening Ceremony cum Orienteering Race - Hong Kong Maritime Industry Week 2016**

The first Hong Kong Maritime Industry Week (HKMIW) organised by the Hong Kong Maritime and Port Board (HKMPB) opened on 20 November 2016 at Kai Tak Runway Park.

The HKMIW started with an orienteering race jointly organised by Hong Kong Maritime and Port Board (HKMPB) and Hong Kong Seamen's Union (HKSU) which attracted over 500 participants drawn from the industry and the public. The route took them to both sides of the Victoria Harbour to reach designated points where they had to answer maritime-related questions, putting their knowledge of the industry to the test.
