

Hong Kong Maritime Week 2022 - Highlights from International Chamber of Shipping (Video Only)

Hong Kong Maritime Week 2022 (20-26 November 2022) was supported by world-leading maritime organisations. We are delighted that Secretary General and Deputy Secretary General of the International Chamber of Shipping (ICS) travelled to Hong Kong to join HKMW's events in person.

Let's hear what Mr Guy PLATTEN, Secretary General, and Mr Simon BENNETT, Deputy Secretary General of ICS, have to say about the HKMW 2022.
